

Web Portal User Manual

When you enter the web portal, you will see the home screen like the image below.

The description of the five steps mentioned in the figure is given below-

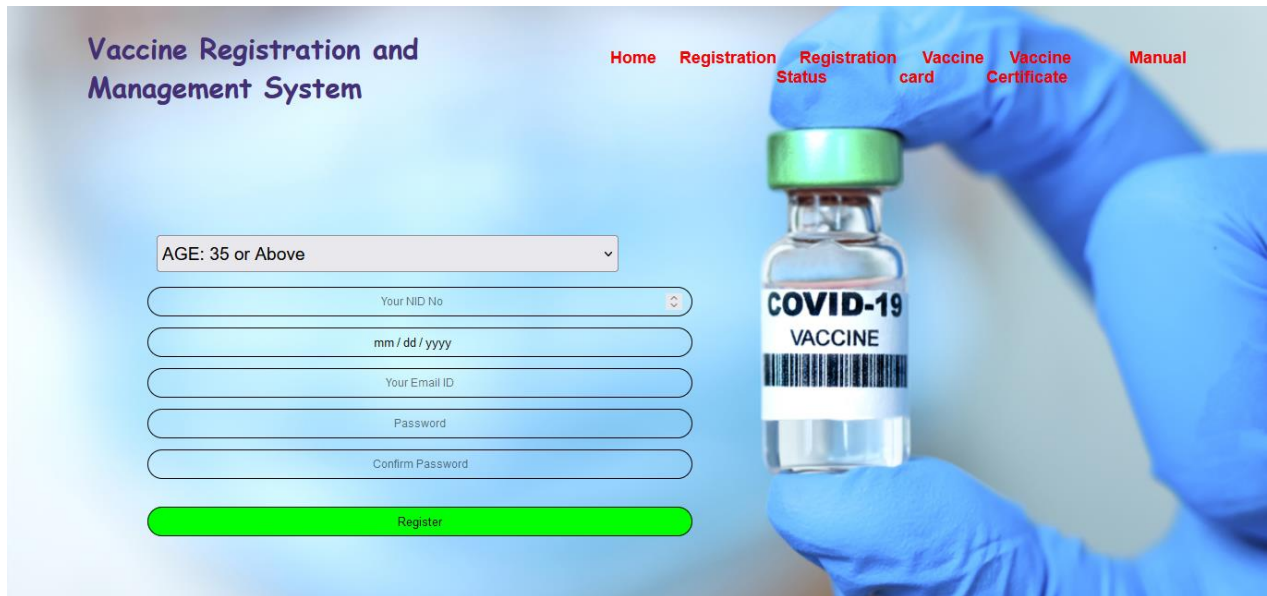

STEP-1:

You can return to the first page from any other page by clicking the “Home” button.

STEP-2: Clicking on the “Registration” button will open the page like the image below-

The image shows the 'Registration' page of the system. The header is identical to the homepage. The main content area has a light blue background with a vial and a gloved hand. On the left, there is a registration form with the following fields: 'AGE: 35 or Above' (a dropdown menu), 'Your NID No' (a text field with a red 'X' icon), 'mm / dd / yyyy' (a date field), 'Your Email ID' (a text field), 'Password' (a text field), and 'Confirm Password' (a text field). A large green 'Register' button is at the bottom of the form.

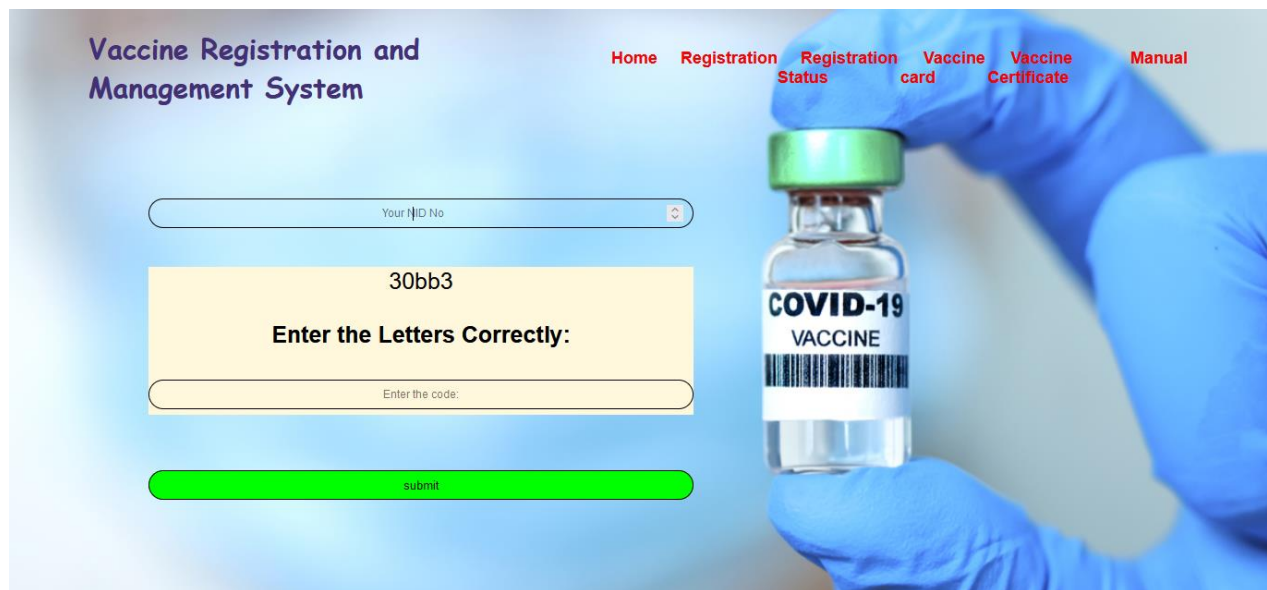

Fill in the fields shown in the picture and press the “Register” button.

The screenshot shows the 'Vaccine Registration and Management System' interface. The title is in purple at the top left. A navigation bar at the top right contains links: Home, Registration, Registration Status, Vaccine card, Vaccine Certificate, and Manual. The main form area has a light blue background. It includes a dropdown menu for 'AGE: 35 or Above', followed by five text input fields labeled 'Your NID No', 'mm / dd / yyyy', 'Your Email ID', 'Password', and 'Confirm Password'. A large green 'Register' button is at the bottom of the form. To the right of the form is a background image of a hand in a blue glove holding a small glass vial labeled 'COVID-19 VACCINE' with a barcode.

STEP-3:

Clicking on the “Registration Status” button will open a page like the image below-

The screenshot shows the 'Vaccine Registration and Management System' interface for the 'Registration Status' page. The title is in purple at the top left. The navigation bar at the top right is the same as the previous page. The main form area has a light blue background. It includes a text input field for 'Your ID No' with a dropdown arrow. Below it is a yellow box containing the text '30bb3' and 'Enter the Letters Correctly:'. Underneath the yellow box is a text input field labeled 'Enter the code:'. A large green 'submit' button is at the bottom of the form. To the right of the form is a background image of a hand in a blue glove holding a small glass vial labeled 'COVID-19 VACCINE' with a barcode.

Here you have to enter the correct information in the blanks above and click on the “Click” button. If the information matches to the

information given at the time of registration, then you will check the registration status.

You are Registered.

STEP-4:

Once the registration is completed, the vaccine card can be downloaded going to the vaccine card option.

STEP-5:

After completing two doses of Covid-19 vaccine, the certificate can be collected from the web portal by going to the “Vaccine Certificate” option.
